Hello and welcome to Reid Elementary. We look forward to meeting our new kindergarten students and families when we are able to safely reopen. We hope you are staying healthy and navigating in this unprecedented time. Unfortunately, we are not able to have our Kindergarten Round Up as planned on April 29. We are working on alternative plans to best serve our new kindergartners and will keep you updated through our Reid Elementary Website. Whether you are a brand new kindergartner or have started the registration process, please carefully review the information below for registration updates and complete the process as soon as possible to help us plan for the Fall.

Principal, Reid Elementary

Families who have already submitted an on-line registration:

If you have already submitted an on-line registration for the upcoming 2020-2021 school year, but have documents that still need to be submitted, unfortunately, you will be unable to upload documents to your online registration. Please choose one of the following options:

- 1- Email a copy of the document(s) to vdavis@goodrichschools.org. OR
- 2- Hold on to documents and bring them to the Reid office when the office reopens for business. The Goodrich website will announce the reopening date of the offices when available.

New Families who have yet to complete the on-line registration for the 20-21 school year:

If you wish to register for Goodrich Area Schools, and reside in district, please refer to New Student Enrollment on our district web page. If you are a **School of Choice** family, please submit your School of Choice application directly to jmoll@goodrichschools.org first. Once you receive your acceptance letter, you may complete your on-line registration and upload any documents necessary.
